**Cost: \$999 per course-Day (Department Training)
\$99.00 per student (Agency Hosting)
(24 student maximum)**

COURSE INSTRUCTOR:

John Tinder has over 30 years of law enforcement experience and is a court recognized expert in Police Policy and Practices, Use of Force, Less Lethal Weapons, and TASER. He is a certified Instructor in the Recognition, Prevention, Management, and Investigation of Excited Delirium and Agitated Chaotic Events™ and in the Recognition and Response to Agonal Breathing / Breathing Issues. John is a Master Taser™ Instructor, a certified Arrest-Related and In-Custody Death Investigative Specialist,™ and a Taser™ Forensic Analyst and Evidence Collection Specialist. John is also a California POST Master Instructor and an instructor for the California POST Instructor Development Institute and the Robert Presley Institute of Criminal Investigations.

COURSE GOAL:

To provide Detectives, Investigators and stakeholders with the best practices and updated information as it relates to Excited Delirium, Synthetic Drugs and Arrest-Related Death incidents. This course is designed to provide the knowledge and skills necessary to recognize, manage, and investigate these types of highly litigated incidents.

THE FOLLOWING TRAINING TOPICS ARE INCLUDED IN THIS COURSE:

- Excited Delirium Overview
